

THE CLOTHES FOR THE BUSY MAN

are clothes that will not keep him waiting a week before he can walk out in them. Are you conversant with STEIN-BLOCH SMART CLOTHES? So many shrewd judges of top-notch tailoring have been keeping us busy fitting them out that we are pretty sure you understand a good deal about the superiority of these crack clothes over the general run of custom-carpeted duds and the foundry-built species of "ready-made" things. If not, you are making a mistake, and we hope we have caught you in time.

Our Spring and Summer assortment of these STEIN-BLOCH SMART CLOTHES is so broad in style and pattern that it would require considerable imagination to think up something that we can't show you, especially in business and sack suits.

Just inquire for this label when you come in:

NEW GOLF LINKS AT HOTEL ANNEX

Following the trend of athletics the Hawaiian Hotel Annex premises have been supplied with a seven-hole course, requiring at least half an hour to go over it.

The Annex links have the advantage of being partially covered with shade from the grove of coconut trees, and after a game players have the beach near at hand in which to take a dip. The links have been laid out on the lawn on the Ewa side of the driveway fronting the row of cottages in the coconut grove. For hazards the players have two hibiscus hedges and plenty of sand near the beach.

FOOTBALL TALK FOR THE COMING SEASON

Talk of organizing the football league for the coming fall and winter season is going the rounds of the various clubs. It is expected that actual organization plans will be formulated about the first of next month. It is probable that the Mailes, Punahou and H. A. C.'s will put in elevens, and one may be worked up from the artillerymen at Camp McKinley.

Sylvia Wants a "Go" with Murphy.

I challenge Tim Murphy for the championship of Hawaii and will fight for the club that puts up a purse as I think I am entitled to some consideration by beating Ackerman and fighting a draw with Huihui and am sure Murphy will know he has been fighting when he is through with me.

Yours truly,

SYLVIA.

SHARK TOOK BIG BITES

Captain Parker of the steamer Claudine is almost vindicated in his shark story. The Claudine was hauled out on the marine railway yesterday and a glance at her hull is proof for the most incredulous. On either side of the bow are dents where the big fish tried his dental appendages first. Evidently the paint tasted good for about fourteen feet farther aft on the port side he took another bite. His enjoyment of his meal increasing with each fresh taste of the new food he made a savage snap at the bottom of the steamer just to the port of the keel and a little aft of the foremast. Here two deep dents some twelve or fourteen inches in diameter testify to the ravenous appetite of the beast. These feats of gormandizing fade into insignificance when one arrives at the stern of the vessel for there workmen are busy bolting on a new propeller blade to take the place of one eaten by the shark. If anyone is skeptical let him see for himself. There lies the broken blade, three inches thick and about twelve wide bitten off close to the hub. It is unfortunate that the teeth marks were all on the piece that the shark ate but the proof is sufficient for the ordinary mortal. A shark that can successfully bite off the blades of a whirling propeller and live to tow the Mauna Loa safe to port deserves homage. With educated sharks who subsist on steamships and fish that milk her lowing herds the Paradise of the Pacific may well claim the wonder of the world.

SUMMONS.

IN THE DISTRICT COURT OF HONOLULU, ISLAND OF OAHU, TERRITORY OF HAWAII.

James L. Holt, Assessor of Taxes, First Division, Plaintiff, vs. Lai Tin and Yim Kwai, copartners, non-resident owners, Defendants—Assumpsit.

Territory of Hawaii:

To the High Sheriff of the Territory of Hawaii, his Deputy, or any Constable in the District of Honolulu, Island of Oahu, greeting:

You are hereby commanded to summon Lai Tin and Yim Kwai, copartners, non-resident owners of property situate in the First Taxation Division, if they can be found in this District, to appear before me at my office, at Honolulu, upon the 29th day of August, A. D. 1904, at 1:30 o'clock p. m., there to answer unto James L. Holt, Assessor of Taxes in and for the First Taxation Division of the Territory of Hawaii, in a plea wherein the plaintiff declares and says:

That said defendants are lawfully indebted to the plaintiff in his official capacity aforesaid, in the sum of Three Hundred and Ninety Dollars, for taxes assessed against the person and property of said defendants on the books of the Assessor of Taxes for the District of Honolulu, Island of Oahu, for the years 1900, 1901, 1902 and 1903. And defendants, though thereunto requested, have thus far failed and neglected and still neglect and refuse to pay the same, or any part or portion thereof; wherefore, plaintiff asks for judgment against the said defendants for said sum of Three Hundred and Ninety Dollars (\$390.00), together with ten per cent. in addition thereto and advertising costs, as by law provided, and for costs of court.

Notify the said Lai Tin and Yim Kwai that upon default to attend at the place, day and hour above mentioned, judgment will be rendered against them ex parte, by default.

Given under my hand this 4th day of August, A. D. 1904.

ALEX. LINDSAY, JR.,
